More on Uniforms & Re-enrollment

Uniforms

In a previous Head...lines we announced that Harvey Uniforms has been selected as the new uniform supplier to Dayspring. Here are answers to key questions that have been asked:

- 1. Do parents need to buy all new replacement uniforms?** *The answer is: NO, students may continue to wear what they have and when new uniform garments are needed...purchase from Harvey.*
- 2. When will Harvey begin to supply?** *The answer is: They are preparing order forms and a Dayspring page on their website...this should be completed by February 1st. You may call to place orders now. We have samples of many garments in the school office. You will be pleased with quality and service.*

HARVEY's 800 line (800 462-8192) is available Tuesday thru Friday from 10 to 5 and their website is www.harveyuniforms.com

Re-enrollment

Packets were mailed to all current families during the holiday break. If you did not receive a packet, please contact Darlene in the office.

Questions were also raised:

- 1. Is January 18th a final date that will impact your registration?**
The answer is: NO, we would like to have many come back in January, but you have until the end of February to register. At that time we will begin accepting new students. We will enroll new students in PreK & K now, as we have openings.
- 2. When is Curriculum and Technology money due?**
The answer is: July 1st. Only the Registration Fee is due with your form.

Reminders

- **Early Dismissal/Holiday:** Friday, January 13th – 11:30 AM dismissal and NO SCHOOL, January 16th – Martin Luther King Day.
- **Pizza Orders:** The process for ordering pizza on Fridays is that we preorder based upon the number of students that are prepaid...then guess at how many will walk-up on the day. We need better control...so it will be 2 slices for walk-ups. It may come to "no show(with a preorder), no dough(no pizza). Really, please help us by pre-ordering. Thanks.
