"...making a difference now and eternally" Vol. 2, Issue 5, October 26, 2005

From the Administrator...

We are rapidly approaching the end of the first quarter of the school year and today begin time off enabling our faculty to attend professional development conferences. REMINDER: NO SCHOOL – Thursday Oct 27th & Friday Oct 28th. Report cards will be issued on Nov 15th and Parent Teacher Conferences will be held on Nov 16th & 17th. A form will be sent asking for your best times to meet. Please take note of the following important items:

Reminders...

- **Harvest Party Invitation:** Next Monday, October 31st, from 6:00 pm to 8:300 pm, the South Attleboro Assembly of God church is holding a “costume” harvest party in the school gym. It is a great, fun time as a wholesome alternative to typical secular activities. Fun – Games – Candy galore. All DCA students are invited.
- **Playground Fund and Candles:** By now you all know that we are running a brief fall fund raiser for seed money toward our new playground. We all benefit from a special deal on great *Older Whaler* candles at a great price. Prizes will be awarded for your sales effort. The deadline for candles for Thanksgiving delivery is Monday, Nov 7th. We will have additional candles for sale for the Christmas season. Thanks to all who are participating and for your support.
- **Playground Plans:** We are awaiting playground proposals from professional firms. Once received, we will form a parent committee for review and action.
- **Lunch Program:** We continue to work to establish a good distribution system for the Friday pizza days...46 pizzas by the slice are making it interesting So far we’ve raised \$402 for the field day and athletic fund. We still need parent volunteers to help with lunch each day to collect monies and clean-up. Please call Darlene, in the office.
- **SCRIP Program:** Detailed information is coming regarding the SCRIP program used by many schools to help reduce tuition expenses and establish financial aid funds. It is a long term fundraising program “Fundraising While You Shop™” retail program. Check out www.glscrip.com for information. You will benefit as you shop at popular retailers.
- **Dress-down Days:** Dress-down days have contributed over \$2100 to the Field Trip Transportation Fund...thank you, but we encourage all students to participate. Please note that DRESS DOWN does not mean that any piece of clothing and torn jeans can be worn to school. Please be sure that your student(s) is dressed tastefully.
- **Family to Family Services Directory:** Thanks to those who have submitted information for a DCA database that will list parents that have a business or trade that could be used by our families...a services reference guide. Please send your info to the office.
- **WEBSITE & EMAIL:** www.dayspringag.org is up and running and will be updated nearly everyday with the latest information regarding events, news, announcements, etc. Please add our website to your favorite browser and check everyday for the latest: contact and email information, archived copies of Head...lines and other documents, and the current calendar. You can download and print virtually any page or form. Documents are archived in Adobe™ .pdf format for ease of storage and reading online and you can now email directly to any faculty member.
- **EMAIL & MODEL RELEASES:** Please email your latest email address so that we can add you to our broadcast email address list. Also, you may see pictures of your children in various gallery shots throughout the site. If you do not wish to have your child appear in any website or publication pictures please notify the office and request a release form. office@dayspringag.org
