From the Administrator...

Thank you for faithful interest and support of Dayspring. We could not do it without you...our family! Please take note of the key reminders of the week...and be sure to look for and through the packet of information being sent today. We will focus on a few key items.

Reminders...

- **SCRIP Program:** Detailed information, that includes an enrollment form and list of participating retailers, is being sent home this week. The SCRIP program used by many schools to help reduce tuition expenses and establish financial aid funds. It is a long term fundraising program "Fundraising While You Shop™" retail program. It can be a true benefit to you as 50% of every dollar donated to DCA from the program will be applied directly to your SMART tuition payment account. A part of the other 50% will go to a financial aid fund for families needing help in the next school year. For more detailed information on how the program works check out www.glscrip.com for information. You and DCA will benefit as you shop at popular retailers.
- **MILK COST CHANGE:** Beyond our control...milk goes to 50 cents starting now. MOO!
- **Veteran's Day:** NO SCHOOL on Friday, November 11th.
- **Term Ends on Thursday, November 10th:** Be sure that your child completes all homework and test preparation.
