## ***Announcement to Parents and Students***

### **Harvey Uniforms has been selected as the new uniform supplier to Dayspring**

In an effort to improve the overall quality, service and supply of uniforms to Dayspring Christian Academy families, Harvey Uniforms, Seekonk, MA, has been selected to become our supplier, effective January 1, 2006. Harvey has been serving the needs of Elementary, Middle and High Schools throughout New England for more than 50 years. Uniforms are an important part of the life and look of Dayspring, and must be cost-effective, easy to purchase and long-wearing. Harvey's sole business is uniforms and offers a breadth of service not previously available to the Dayspring community. Here are key factors in selecting Harvey...

**HARVEY** works with each school to design and develop a uniform program which meets our school's needs. **HARVEY** will help us design customized logos or monograms for embroidery and silk-screening uniform items. The DCA Logos will appear on certain key uniform items.

**HARVEY** will prepare and supply us with customized forms to make ordering the correct, approved items easy.

**HARVEY** maintains on-hand inventories of all the items that make up our school's uniform. Parents may order throughout the year and most orders are shipped within 48 hours of the order. **HARVEY's** 800 line (800 462-8192) is available Tuesday thru Friday from 10 to 5 and Saturday from 10 to 4 for ordering and for any customer inquiries.

**HARVEY** stands behind all of the products they provide. They guarantee that uniforms will fit properly and will replace any item that is defective in material or manufacture. Any item that has not been worn, altered or laundered may be returned. Any unaltered, unworn or unlaundered item which continues to be a part of one of a **HARVEY** school's uniform may be returned for refund or exchange, at any time.

**HARVEY** offers free home delivery by UPS for all back-to-school orders placed in the Spring.

**HARVEY's** representatives will visit our school in the spring (March thru June) to measure students and assist parents in ordering. Representatives will be available to visit our school at other times of the year as well.

**HARVEY** offers on-line ordering via their website: [www.harveyuniforms.com](http://www.harveyuniforms.com) and direct shopping at their store in Seekonk, where uniforms may be seen and tried on for size.

**HARVEY** will pay a commission to the school based upon the amount of business. This contributes to stabilizing tuition costs.

**HARVEY** provides complete, timely, courteous and considerate service to all they serve.

Dayspring is also modifying its dress code policy toward improving seasonal use and the ability of families to exchange uniforms with others as students out-grow wearable garments. Shorts will be added to the garment list for wear at designated times during Spring and Fall. We are grandfathering all prior uniforms as our supplier change occurs. **HARVEY** supplied uniforms will bear the new DCA logos. Families will be required to purchase from **HARVEY** as our sole supplier.

We are certain that this new relationship between Harvey Uniforms and Dayspring will be rewarding to all.
