"...making a difference now and eternally" Vol. 4, Issue 15, March 19, 2009

What a March it is!

There's lots of stuff going on and we're here to let you in on it, again. Some reminders, some reports, some questions, and some things we'd like you to take action on. *Here we go...*

Year Book Orders You will love the all color, 2008-09 DCA Yearbook...a "must have" book of memories from PreK to Middle School. Full of pictures and events...a deal at \$30. Order by Friday, 3/20. We order 150 books to get a good price and need your support to cover

Re-Enrollment Take advantage of the \$150 per student re-registration fee (\$250 beginning April 6th). If you've already registered...GREAT, if not, we NEED your commitment now. Please don't let the uncertainty of the times impact the very important educational decision for your child. We really don't want to bug you...but we will, as we must plan. If it's financial, we have:

Financial Aid There is financial aid for those who qualify. We ask that you let us know and make application. The amount available depends upon the number of students overall.

BUT...we can't help you if we don't know your need and you don't ask. We will try to help all.

Families Helping Families We are pleased to report that, in just over one week, we are already over 20% of our goal, due to a few generous early donors. THANK YOU, THANK YOU! However, we need every family to contribute to this very real scholarship appeal. We won't try to bug you...but we will, because every dollar goes to covering scholarships, this school year. Please make it a priority. We need to reach our goal by summer.

PAPER RETRIEVER® Thank you for supporting our paper, NO CARDBOARD, recycling program. You'll note that we now have two bright green/yellow containers located in the lower parking lot. EVERY family can participate and bring at least a container of paper for recycling, every week. It's an easy way to help DCA projects and ALL can participate.

Surveys We want to know what you are thinking about various school programs and will be sending home surveys to get your feedback. Please be forthright and tell us what we need to hear to make Dayspring a better, user-friendly, school.

Teachers Questions are coming about next year's teaching staff. Most teachers want to return...some will be assigned to different grades based upon enrollment. We will let you know as any re-assignments are made.

Important Dates DCA Family UNO Night, Tuesday, April 7th 3rd Quarter Ends April 3rd; NO SCHOOL (Good Friday) April 10th; Sports Award Night (CHANGED) to April 14th; Science Fair April 16th; SPRING VACATION - April 20-24.

Reminders 1st and 4th Graders please bring recorders to class; Aftercare monies are due when the bill is received...please keep current or your child may not be able to attend.
