

To whom it may concern,

The children of today shape the future of our communities tomorrow. Dayspring Christian Academy (DCA) fully understands the impact that the child of today can have in the future. At DCA, we recognize the importance of developing the whole child to positively impact tomorrow, and eternity. A healthy, well-educated child has a better chance of making a difference in their community.

In an effort to help every child be healthy and to provide them with an opportunity for an excellent education, Dayspring Christian Academy is hosting its fourth annual 5K Run/Walk. The proceeds for the 5K will benefit the DCA Legacy Scholarship Fund and St. Jude's Children's Research Hospital. The theme for the event will be a Superhero 5K, because those who help children in their health and education are truly superheroes!

DCA is currently seeking SUPERHEROES to sponsor and to participate in the 4th annual Superhero 5K Run/Walk. If you would be willing to make a difference in the life of a child in need, please consider filling out the attached sponsorship form and help DCA meet the goal of \$10,000 to fund student scholarships and help St. Jude's Hospital treat seriously ill children. Should a financial sponsorship not be a possibility, then product donations that supports runners and walkers are very welcomed and appreciated. Your sponsorship or donation of any amount will be greatly appreciated and will make a difference in the life of a child.

On behalf of Dayspring Christian Academy and St. Jude's Children's Research Hospital, I would like to thank you for your generosity. Your gift is sincerely appreciated. Please note that Dayspring Christian Academy is a non-profit 501(c) 3 organization. Thanks again for your generous support.

Sincerely,

Jason Detty
DCA Administrator
