# MIDDLE/HIGH SCHOOL STUDENT CODE OF CONDUCT

**All PARENTS** and **STUDENTS** are required to read the Student Code Of Conduct and sign a statement agreeing to abide by the Student Code Of Conduct. The prohibitions of the Student Code of Conduct include but are not limited to the examples given because the standards for the Student Code of Conduct are based on our understanding of the Biblical teachings and examples lived out in the life of Christ, stated specifically in Ephesians 3-5 and other Scriptural references. Failure to follow such school policy will be grounds for appropriate disciplinary action, including suspension or expulsion.

To prevent the consequences of sinful choices the Student Code of Conduct prohibits Dayspring Christian Academy students from, but is not limited to, the following:

1. Threatening or assaulting another student or staff member
2. Unexcused absences from classes, chapel, or assemblies
3. Cheating, copying or plagiarizing the work of others
4. Lying to a teacher or to the administration
5. Profanity, obscenity, or suggestive language or gestures
6. Disruption of classroom activities
7. Willful destruction of school property
8. Fighting
9. Possession of pornographic or occult material
10. Rebellious attitudes
11. Disrespect for staff members and adult volunteers
12. Use, possession, or promotion of alcoholic beverages, tobacco products, or drugs and/or drug related paraphernalia of any kind.
13. Public displays of affection that includes, but are not limited to, caressing, kissing, hugging, hand holding, etc.
14. Leaving school campus without permission
15. Theft or stealing of any kind
16. Harassing another student, physically or verbally
17. Being in an unauthorized area or building of the campus
18. Behavior involving a criminal offense
19. Giving evidence of sexual immorality of any kind
20. Inappropriate use, comments, or pictures on student's personal social media sites
21. Possession or knowledge of others possessing any articles that are considered dangerous or potentially destructive, such as explosives, fireworks, firearms, paintball guns, knives, lighters, etc., will not be allowed in or on a student's person, backpack, or locker. School administration has the right to search lockers and backpacks, and will confiscate all such items found on campus, and disciplinary action may follow
22. **Any other conduct which is harmful to the Christian development of the student, as well as to other students in the school.**

**Christian life is not a part-time endeavor therefore; this Student Code of Conduct is in effect the entire time any student is enrolled as a DCA student. This policy is in effect 24 hours a day, 7 days a week, 365 days a year. This includes all ON CAMPUS AND OFF CAMPUS activities.**

To ensure the compliance of the above mentioned policies, Dayspring Christian Academy reserves the right to check any student as well as all personal property voluntarily brought onto our campus. This includes, but is not limited to, school lockers, bags and/or purses, cell phones and other electronic devices, and other such areas. Dayspring Christian Academy also reserves the right to conduct these searches by any means necessary, including the use of trained dogs.

**FOR STUDENT:** I have read and understand the above Student Code Of Conduct and will uphold this standard in my behavior and actions as applies **on and off the campus**. I also agree to abide by the rules listed in the Middle/High School Policies and Procedures Handbook and realize that willful disregard for the rules and standards of Dayspring Christian Academy may result in suspension or dismissal.

**Dayspring Christian Academy/Liberty Christian High School  
Medication/Emergency Care Policy**

Medication in school may only be used on rare occasions and then under the following conditions:

1. Medication of any kind may NEVER be brought to school with the student. Any medication **must** be brought to school **by the parent or guardian, in its original container**. Written permission and instructions for administration from a physician must accompany medication. Physician's Order forms are available from the nurse and must be completed and signed before administered. **Inhalers are to be in the nurse's office, not with the child** (*unless specific agreement has been made between the child, parent, school, and physician*). Dayspring Christian Academy will always make every effort to administer all medications according to a physician's order. **The school shall not be responsible for reminding the student to come for the medication; the student must be responsible to appear at the appropriate time.** If the medication schedule can be structured around the school day, we would ask that this accommodation be made. If students will be off campus (field trip, athletic event, etc.), parents are to arrange with the school nurse, in advance, the plan to administer the medication. **This includes non-prescription over the counter meds. All meds not on checklist provided need parent permission and physician script.**
2. If there is an unexpected need for Tylenol, the parent will be called at the time and must give consent before non-prescription medicines will be administered. If the parent is unable to be reached medicine will be given only if there is written permission on file and it can be determined it is within the appropriate dosage schedule to have the medication.
3. List other medicines the child takes daily. List any adverse reactions with over the counter medicines such as Tylenol or children's Ibuprofen.
4. It is the parent's responsibility to keep school medical records current. If there is a change in daily medicines, contact the school immediately by written note to the nurse. This is for the safety of your child especially, if in an emergency situation, other medicines may be given by the emergency personnel. If any alteration of daily activity, a physician's note will be required.
5. If your child has an injury or serious illness requiring a visit to Urgent care, Hospital, and or Physician please return them with documentation of visit and any restrictions or releases re: activity/gym/academics the day they return to school. Including any special instructions, medical or emotional re: the illness/injury.

I hereby authorize Dayspring Christian Academy to arrange for medical examination and/or treatment of my child, \_\_\_\_\_, should an emergency arise at school or on a field trip. It is understood that a conscientious effort will be made by the school to contact me at the emergency numbers I have provided before any medical action is taken. In case of emergency, 911 will be called. The choice of hospital may be limited by the service. If the nurse is present and determines the child is in anaphylactic shock she will administer epinephrine until the EMT's arrive.
