

Dear Families,

Summer time is fast approaching. It is now time to start thinking about Summer options. The Summer Quest Program here at Dayspring is organized weekly. Each week is assigned a theme and will have activities and events structured to incorporate the theme. On Wednesdays, we will be leaving campus for fun field trips! All field trips are on Wednesday and will require a separate additional fee from your weekly camp fee. The field trip permission slip and fee must be paid in cash and dropped off the Friday before the field trip to guarantee your child's enrollment on that day. Any child who attends camp on Wednesday must go on the field trip, there is no alternative activity for non-participants.

Attached are the summer quest registration and schedule. Your child may attend any day(s) during the week. It is required however, the days you choose for your child to attend are consistent from week to week. For example, if you need your child to be at summer quest on Monday, Wednesday, Fridays, they must attend those days each week. You have the ability to pick and choose the weeks your child comes. They do not have to come all weeks but are certainly welcome every week. If your child does not have a consistent schedule, they will be considered Drop In Quest and will be billed at the drop-in rate. **You will be responsible for quest fee for the weeks that are processed in your registration packet even if your child does not come.**

We encourage all previous participants to come back and join us this summer, but new families are always welcome! We ask that you return your registration, agreement, schedule, and registration fee to process your registration. Enrollment into the Summer Quest program will not be processed until completed forms are received. When the completed forms are received and processed you will receive an email correspondence regarding the Summer Quest agreement and acceptance.

Thank you,

Jennifer Norton
